Dear Erich:

Sharyn Romano with LABT was kind enough to forward me your email regarding a potential grant for the Hollywood Media BID - National Endowment for the Arts grant for placemaking and public safety. I would love to speak to you in more detail as to what type of photos, data, and stats you are seeking. At your convenience please feel free to contact my office at (323) 860-0025.

Subject: Hollywood Media District BID: Crime and Public Safety Data / Reports

Hi Sharyn,

YPI is applying for the National Endowment for the Arts grant for placemaking / public safety along Theatre Row / Hollywood Media District BID. I mentioned to Jessica Wackenhut with YPI that I had attended a BID meeting and you were ready to present your findings on the issues with crime, graffiti and public safety in the BID but they had you reschedule.

Do you have any reports, data, images to provide me to help with the crime/public safety issues in the BID for the grant? If so, I would need the information in the next day.

Thanks.
